MATHS 1.5

06/07/2020

HELLO KIDS.....GOOD MORNING

Did everyone watch yesterday's maths online class?

If you want to see the class again  
please touch here

Lets move on the activities....

Sports day is being held at Amina's school. Teacher assigned different task for each students and instructed Amina's to write chest number for running race. Teacher wrote first chest number on one card that number was **1000**. Total 13 students were participated in that race.

When we add one to any number we get the next consecutive number eg:( $1000+1=1001$ )

ACTIVITY-1

Can you help Amina to write chest numbers for 13 students.

1000

1013

### ACTIVITY-2

Can you help Amina's to find place value of below numbers and complete the table.

Number	Place Value			
	Thousands	Hundreds	Tens	Ones
1020				
1021				
1022				
1023				
1024				
1025				
1026				

### ACTIVITY-3

As you know that Appu got a chest number on the way back after the race. Help Appu to write numbers in words and figures

Number In Figures	Number in Words
1025	One thousand twenty five
.....	.....
.....	.....
.....	.....
.....	.....
1030	.....

## ACTIVITY-4

Maths lab at home.

Make a place value pocket, as explained in the online class

*Concentrate on online class and do all the activities regularly.*

*Have a nice day.....*
