Worksheet – 1.12

1.NUMBER WORLD

04/09/20

V Std

ACTIVITY 1

In the picture below, write in the second row, the difference of two nearby numbers in the first row. Then in the third row, write the difference of nearby numbers in the second row. And finally, the difference of these two numbers in the bottom box.

The diagram shows a flow of numbers through boxes:

- Row 1 (Yellow boxes): 475368, 998838, 470993, 503213
- Row 2 (Blue boxes): 523470, 527845, (connected to 475368 and 998838; 998838 and 470993; 470993 and 503213)
- Row 3 (Blue boxes): 4375, (connected to 523470 and 527845; 527845 and)
- Row 4 (Blue box): (connected to 4375 and)

Three subtraction problems are shown on the right:

$$\begin{array}{r} \textcircled{7} \textcircled{13} \\ 998838 \\ - 475368 \\ \hline 523470 \end{array}$$

$$\begin{array}{r} \textcircled{7} \textcircled{17} \textcircled{13} \\ 998838 \\ - 470993 \\ \hline 527845 \end{array}$$

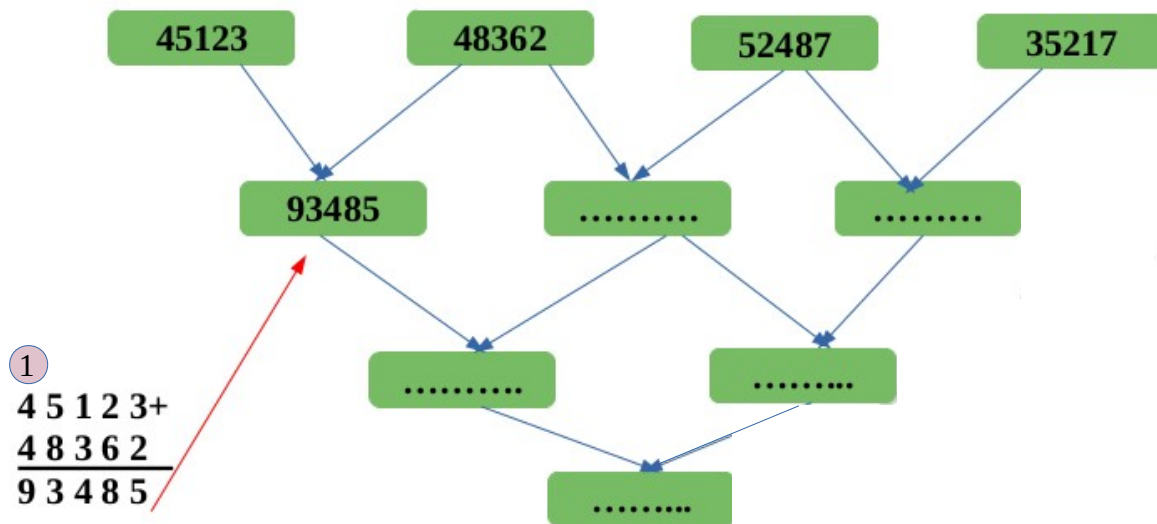

$$\begin{array}{r} \textcircled{7} \textcircled{14} \\ 527845 \\ - 523470 \\ \hline 4375 \end{array}$$

Red arrows indicate the following connections:

- From the result 523470 to the first box in the second row.
- From the result 527845 to the second box in the second row.
- From the result 4375 to the first box in the third row.

ACTIVITY 2

Find the sum of the given numbers and write down as done above.

Do all the activities and send to me dears....

All The Best
