### UNIT 2

### Flying Kites

What is Minu doing?

Kitty and Minu became close friends. One day they were playing under a tree. 'Kitty, you can now fly high. Don't you want to go to your mother?' Minu asked.

'Fly... Kitty... fly....' Minu held Kitty in her hands. She tossed her into the air. Kitty flew up and sat on the branch of a tree. Minu looked up at Kitty.

'Don't you want to go?' Minu asked.

Kitty flew down and sat on her arm. Minu held Kitty close to her. 'Oh! sweetie! I know you don't want to leave me. Let's go to my friends,' said Minu.

Will Kitty fly away?  
How would Minu feel then?
