Our teacher shared some of her travelling experience with us..Let's read the travelling experience of our teacher.

My travelling experience

I went on a trip to the beach and the Zoo.

I left on monday 9th November 2020 afternoon.

I had my little friends with me. We travelled by a bus.

On the way we saw many things. First we reached the beach.

I felt so happy. The cool waves and the blue sea were very beautiful. There were a lot of Palm trees.

Then we went to the zoo. We saw the meat eating tiger, an apple eating monkey, sleeping crocodile, dancing peacock and a hippo with its big mouth open.

The dancing peacock was the scene that I liked most.

I have enjoyed the trip very much.

That was an unforgettable one for me.
